

# Merry Christmas from the Village League

**ALERT: #267 DATE:** December 14, 2012 **TO:** Incline Village & Crystal Bay Property Owners **FROM:** Village League Tax Revolt Committee

Holiday Greetings to all Incline Village and Crystal Bay property owners.

2012 is going down in the record books with major tax refunds from Washoe County for illegal and unconstitutional property assessments of the past. As of this week, a total of 5,613 Incline Village and Crystal Bay parcels (64.05%) have received refunds. The dollar value of the refunds, plus interest is equal to \$32,960,610.

The county is on track to complete all refunds by August of next year, as mandated by the court.

## 10 Year Anniversary

On December 23, 2002, Ted Harris, on behalf of the Village League, sent out an email to a small group of Incline Village and Crystal Bay property owners asking them to help fight the Washoe County Assessor on the just received outrageous property tax increases.

Yes, our tax revolt is 10 years old and still going strong. We are winning and will continue to do so. Thank you for all your support in this effort. It has taken a Village to make this happen, and could not have been done with just a few.

## Not Done Yet!

A huge amount of legal effort is still going on behind the scene to get refunds for illegal and unconstitutional assessments for property tax years 2003/04, 2004/05

and 2005/06. Hopefully we will be able to make a nice announcement sometime next year. Right now Washoe County, and the Nevada State Board of Equalization are fighting us tooth and nail on every step we make to get these three years refunded. The paperwork and documents fill enormous volumes of binders.

For now, enjoy the holiday season and may 2013 be even better than 2012.

**Merry Christmas and Happy New Year**

Sincerely,
