

STILL WAITING...

ALERT: #244 DATE: November 6, 2010 **TO:** Incline Village & Crystal Bay Property Owners **FROM:** Village League Tax Revolt Committee

Dear Incline Village & Crystal Bay Property Taxpayers,

Whoever said that the wheels of justice grind slowly surely knew what they were talking about. Our hearing on October 8th in San Francisco, before the Ninth Circuit Court of Appeals, went extremely well!! Based on the questions that were posed by the Justices the general consensus of opinion is that their decision will be in our favor – hooray. We should be getting that Order sometime this month.

This case is an action for declaratory relief that the revised regulations adopted by the Nevada Tax Commission for property tax assessment purposes create an unconstitutional tax system for residential properties.

The Nevada Supreme Court decisions take even longer!! We currently have three cases currently submitted to that judicial body. The first Order that we are anticipating is on the Appeal by Washoe County of Judge Adam's Order of October 23, 2009. He required the Washoe County Treasurer to pay refunds plus interest to all 9000 residential property owners in the Incline Village and Crystal Bay areas for the tax year 2006-2007.

The final documents in that case were submitted to the Nevada Supreme Court by all parties on July 1st. Hopefully, we will have a decision in our favor by Christmas. Wouldn't that be a terrific holiday present that we could all celebrate?

We will be notifying you as soon as we hear any news from the courts. Meanwhile, have a wonderful Thanksgiving.

Sincerely,

Maryanne Ingemanson
