ALERT: #266 DATE: September 21, 2012 **TO:** Incline Village & Crystal Bay Property Owners **FROM:** Village League Tax Revolt Committee

Dear Incline Village & Crystal Bay Property Taxpayers,

Our sincere thanks to all of you who adjusted your schedules and made time to attend our hearing on Tuesday before the State Board of Equalization.

There was an overflow crowd – every possible seat was taken with some having to sit in an adjoining room served by video! And nearly 1400 Petitions were presented.

Our Attorney, Suellen Fulstone, was magnificent as always in presenting our case. No decision was announced by the State Board at the close of the hearing. We are anticipating that yet another hearing will be called, probably in October. Of course we will keep all of you posted as to any developments as soon as they become known. None of this goes quickly!!

As you can see this is a very complex situation, and one that is difficult to explain. However, as the courts, both District and Nevada Supreme, have ruled in our favor so many times we feel confident that the law sustains our position.

Your support and attendance was absolutely necessary to further our efforts to bring this exhaustive 10 year effort to a successful conclusion.

Sincerely,

Maryanne Ingemanson
